

Step 1: Visit the CBP I-94 website here: <https://i94.cbp.dhs.gov/I94/>

Step 2: Select GET MOST RECENT I-94

Step 3: Select Consent and Continue

Step 4: Input your traveler information and select Next

The screenshot shows a web form titled "Enter Your Traveler Info" with a note: "Note: The info returned may not reflect applications submitted to or benefits received by U.S. Citizenship and Immigration Services or Immigration and Customs Enforcement." The form has two sections, each with a person icon. The first section contains: "\* First (Given) Name:" (text input), "\* Last (Family) Name/Surname:" (text input), and "\* Birth Date:" (three inputs for Day, Month, and Year). The second section contains: "\* Passport Number:" (text input) and "\* Passport Country of Issuance:" (dropdown menu). A "Cancel" link is on the left and a "NEXT >" button is on the right. Below the form is the text "Proceed to your most recent I-94".

Annotations on the right side of the form:

- Arrow pointing to the Last Name field: Enter your name as it appears on your passport
- Arrow pointing to the Birth Date fields: Enter your date of birth (Day, Month, Year)
- Arrow pointing to the Passport Number field: Enter your passport number
- Arrow pointing to the Passport Country of Issuance dropdown: Enter the country that issued your passport

Step 5: Take a screenshot of both your I-94 and your travel history for your records

Still can't locate I-94?

- Spaces, hyphens, and spelling can impact the ability to access the record. Be sure to type name exactly as it appears on the visa including these additional characters and spaces.
- If unable to access the I-94 using your name as it appears on the bottom of your passport in the Machine Readable Zone below your photo, enter your name as it appears on the visa. If still unable to access the I-94, enter your name as it appears on your plane ticket.
- If your passport number is more than 10 characters, enter only the last 10 characters.
- Passport number may contain numbers and letters. Be sure to distinguish between the two. Common errors: Number zero (0) and letter O and the number one (1) and letter I.
- Be sure to use the passport information you used to last enter the US.
- Still unable to access record? You may need [assistance from Customs and Border Protection](#).
